financial strength of the entity and other holistic factors. Based on the assessment some borrowers were moved from stage one to stage two and some borrowers were moved from stage two to stage three (due to expected cashflow impairment) despite of their past due status.

The portfolio level impairment assessment was carried out for the individual borrowers. The Bank closely monitors and considers the impact of economy to business operations and performance. In order to capture the expected lossess from loans and advances due to prevalent economic conditions, the Bank adjusted the economic factor adjustment.
